SMBs need one guided path across products

Official product pages show overlapping offers; this is a capability map, not a price ranking.

	JIOBUSINESS	TATA TELE BUSINESS	AIRTEL BUSINESS
SMB BUNDLES	Internet + voice + work tools	Broadband + voice + security	Internet + mobile + cloud calls
DIGITAL TOOLS	Plans, bills and service requests	DIY security, reporting, plan filters	Business portal / service manager
SUPPORT & FIT	Self-care + assisted care	Managed support; plan selectors	Account support; site feasibility

Our test: make fit → full quote → consented review → trackable handoff feel like one journey.
